General Rules and Information:

1. Please confirm that the attached schedule works for your school; it was unavoidable that some schools' teams would be playing at the same time; hopefully you can make this work. Please send me a roster divided by grade and teams.
2. 7th grade teams; (Mitchell Black/Mitchell Gold) (Yankton White/Yankton Red) (Brookings Black/Brookings Red) 7th grade teams from each school are divided equally. Please label you rosters accordingly.
3. 8th grade teams; (Mitchell Black/Mitchell Gold) (Pierre White/Pierre Green) (Yankton White/Yankton Red) (Brookings Black/Brookings Red) 8th grade teams from each school are divided A squad and B Squad. Please label you rosters accordingly.
4. Jamboree will last from 10am until 1pm.
5. A \$2 admission will be charged to adults.
6. Limited locker room space will be available in the Stadium and will be assigned by school; Mitchell and Pierre will be in the West locker rooms and Brookings and Yankton will be in the East locker rooms.
7. Each team will get at least 3 times to play in the jamboree, round robin against opposing schools and King of the Q Session.
8. Each Jamboree session will last 20 mins and then there will be a 5 minute transition period; Time will be kept on the Joe Quintal Game Clock.
9. One Coach from each team may be on the field; subs and other coaches are on the side line between appropriate cones.
10. Ball will start on the 40 yard line going in; first downs may be awarded until the offensive team scores; teams switch posses after scores.
11. Scoring: 7 pts for a Touch Down; 1 Pt for a First Down; 1 Pt for a Defensive Stop; 3pts for a Turnover; NO PAT's and NO Safeties-when a team loses yardage and it pushes them behind the 40 we will move the ball back to the 40 and adjust the sticks/chains to reflect the proper down and distance.
12. There will also be time slots reserved for the Mitchell Park and Rec 5th and 6th grade football league for their practice games.
13. The final session of the jamboree will include all teams in a "King of the Hill" competition on their assigned field. This will be similar to an NCAA/NAIA overtime situation. The ball will start on the 25 yard line. If the offense advances the ball for first downs and an eventual touchdown they remain on the field on offense and the next school comes on and tries to stop them on defense; likewise if the defense stops the offense, they remain on the field on defense and the next school brings their offense on the field and tries to score. We will use all four fields for this so there will not be much of a break in-between your team getting kicked off the field and getting another shot. When the final gun sounds at 12:28, the current series will be completed with the winner of that series being named the Kings of the Q and will be awarded Sandwich Coupons to the Mitchell Quinos.
14. We will have Popsicles for all the athletes at the conclusion of the day.
15. Concessions will be available.
